@Black Prince Hub

This year we will have our sports day at the Black Prince Hub,
Black Prince Community Hub, Lambeth, London SE11 6HU.

All children from Nursery to Year 6 will compete in their 'House Colours' in a variety of sports, games & activities.

There will also be a race for parents, so come dressed ready to get involved!

This week we have started the 'Daily Mile' at St Stephen's. The aim of The Daily Mile is to improve the physical, social, emotional and mental health and wellbeing of our children.

The children jog or run with their classmates in the safety of their school environment. Everyone has fun taking part – it is not P.E. nor is it competitive – while building relationships, confidence and resilience.

- **Fitness** – children become more aware of a healthy lifestyle.
- **Friends**– children use the language of friendship to support each other, improving their social and leadership skills.
- **Fun** – children enjoy taking part – this is what makes The Daily Mile so successful.
- **Focus** – daily physical activity helps children concentrate in the classroom and is proven to raise attainment.

We want every child to have the opportunity to do a Daily Mile at primary school. You can support this at home, by both encouraging their confidence in running and moving outside with them out of school hours.

To raise awareness and understanding of how it is run we will be having our own mini tournament. Children across KS2 will be drawn into national teams and placed in groups.

They will then compete in an internal football competition held at school. The top two teams will then go through to the knock out rounds culminating in the Final where the school will cheer them on and shout their support.

SUMMER SPORTS CAMP

Tuesday 29th May - Friday 1st June 2018
9:30am - 3:30pm

We will once again be running a sports camp this half term. Letters will go out on Monday 30th April.

These camps were introduced to help give your child a chance to engage in structured sports, games and activities enabling them to stay active, have fun and learn new skills. A range of sports were covered requiring them to work as part of a team and also assess and improve their own personal performances.

These camps proved to be very popular and places were taken up very quickly. As you can appreciate places will be allocated on a first come first serve basis. Well done to all the children who have attended previous camps and we once again look forward to another action packed week full of activities and challenges.

On the last day of the camp we will be visiting a trampoline park to round of the week.
