Dear Parents/Carers,

It has recently come to my attention that in the morning/afternoon rush when parents are dropping off/collecting their children a few parents are parking dangerously. Although, I recognise an increasing number of parents/and carers cannot avoid using private vehicles to drop children off, why not consider using quieter roads nearby to park (without causing problems for residents) so that a short walk is incorporated into the journey. Please help to make parking around the school a safer area.

BLACK HISTORY MONTH

This month kicked off with the pupils learning about why we celebrate Black History Month. Each class will focus on an important person or event. The pupils will share what they have learnt in today's Cultural Afternoon & future newsletters.

Congratulations to Reception Class for the highest class attendance !

Attendance Chart - 25th September to 29th September 2017

If you're dropped off or collected from school by car, remember to ask the driver to

Keep the Zig Zags clear.

Even if it's raining.

Even if you're late.

- A clear area is a safer area for you to cross.
- You might not see or be seen past parked cars.

Try walking, even just the last part...

...and help to make your school gates a safer area.

Even if it's just for one minute.

SCHOOL-KEEP-CLEAR

Cross with the school crossing patrol.
