Sports Camp

During the last few holidays we have been running a sports Camp at St Stephen's. These camps were introduced to give your child a chance to engage in structured sports, games and activities enabling them to stay active, have fun and learn new skills. A range of sports were covered requiring them to work as part of a team and also assess and improve their own personal performances.

These camps proved to be very popular and places were taken up very quickly. We will not be having a sports camp this half term but will be back in the new academic year with more exciting camp projects. Thank you and well done to all the children who attended and kept active over the holidays.

Here are some pics of previous camps which have included trips to a trampoline park and various exciting activities.

This year we have been participating in the Lambeth & Southwark Primary Schools Girls Football League. We have been combined with Streatham Wells Primary and have been outstanding all season. They won all their games, conceded only one goal and ran out overall winners! Our very own Sarah S has been the top goal scorer with 38 goals in 6 games. Chevelle has shown excellent goal keeping by only conceding one goal all season. Congratulations to all the girls!!!!

Sports Fusion Girls Football Tournament

Friday 28th April @Ferndale leisure Centre

In the absence of our year six pupils preparing for SATS, we attended the SF Girls Football tournament with a mix of year four and five children. For some this was their first experience of a tournament and they all played and performed really well. They reached the semi-finals and after going 1-0 up eventually lost out 2-1 to a strong team, who have consistently reached finals of the previous three girls football events. Well done girls!

Girls Lambeth Football League 2017

The annual Lambeth Girls Football League commences this term and we hope to build on the good performance shown in previous tournaments.

We will be entering an A & B team with the intention to give experience to more pupils for the future.

Good Luck!!

As a result of their performance in the Lambeth League they were put forward to represent Lambeth in the Inner London Regionals.

They subsequently won this and went on to represent London against other South England schools in the South England Regionals.

World Cup Tournament 2017

We will be having our Annual in school 'World Cup Tournament' this term.

Keep a look out on the sports board for more info soon!
